### KEEP CALM AND COLOUR ON

Colouring isn't just for kids! Recent trends and research show that colouring can help to alleviate stress, promote wellness, calmness and focus while stimulating brain areas related to motor skills, senses and creativity. So put down your pen and highlighter, leave work aside and pick up a crayon or marker; enter your fav coloured page, entire colouring book or coloured work entirely created by yourself! This is an all ages show!

### Eligibility

This exhibition is open EVERYONE! This is an ALL AGES exhibit. Any form of colouring is acceptable: markers, coloured pencil, crayons, chalk and oil pastel, acrylic paint, watercolour, etc. Colouring does not need to be from a coloured pattern, outline or design that is followed, it can be original. Colouring and sketch books or single pages/sheets/canvas, etc. will be accepted.

### Jurying

This is a non-juried exhibition. All artwork submitted will be displayed.\*

\*The LAC/SEAA reserves the right in its sole discretion to decline any work it feels does not meet the exhibition eligibility criteria or any artwork it feels is inappropriate for all audience and otherwise may be considered offensive or sexual in nature.

### Hanging & Labeling

Works on paper or sheets do not need to be framed. However, two-dimensional work that are framed MUST be securely WIRED on back. Alligator teeth style hooks are NOT acceptable. 3D works must be secure and self-supported. Works requiring instillation must be accompanied by instructions, diagrams and/or photographs. All artwork must be clearly labeled on back with Name, Title, Medium and Sale Price using the included labels.
