EXHIBITION DESCRIPTION

An abstract of 1000 words or less describing the exhibition's concept, premise, objective(s) or theme, including a working title. This should discuss the exhibition's purpose, intended audience, cultural and scholarly significance, curatorial viewpoint, unique approach to the subject, and timeliness and additional information that could impact the viability of the proposal.

DIGITAL SPECIFICATIONS

- Images must be in jpeg or PDF file format only
- Image resolution of 1024 pixels on the longest side
- Text files must be in PDF or .doc(x) file format only

EXHIBITION SELECTION

The Exhibition Committee meets several times a year to review submission proposals and selects candidates for exhibit. Once the Exhibition Committee has reviewed your submission you will receive a written response. Submissions materials will be returned when a self-addressed, postage paid envelope is provided with the proposal package.
